Breakfast is served in our formal dining room with fine linen and silver tableware or on the terrace for a more relaxed start to the day.

In the evening sit in the garden with complimentary pre-dinner drinks and hors-d'oeuvres or play a game of petanque.

In winter relax in front of a roaring open fire in our elegant lounge with a vintage sherry or port and play chess.

We have 4 double bedrooms, 3 with their own ensembles. Choose from our elegant "Regency Room" or French style "Blue Room" both on the 1st floor, or our romantic attic suite with antique claw-footed bath.

The two attic rooms make an ideal family suite. We look forward to welcoming you in our home.
